GFO Gluten Free Base available
at \$3 surcharge

The Story...

Our pizza bar pays homage to the age old tradition of hand crafted dough allowed to rest and rise to create a thin and airy base with a traditional napoli style crust. Using fior di latte mozzarella and premium ingredients cooked in our state of the art oven created by a leader in the industry, Beech Ovens, we present to you one of the best pizzas on this side of town.

Note : Pizza Bar operates independently from our main kitchen.
